Dear N.U.T.S.,

Last months meeting on Logan was quite interesting and we would like to thank Darrin Smith for his presentation.

This months meeting will be our annual club picnic. It will be held at Fairmont Park in the North Bowery. There will be no speaker but find of the month will be held as usual. The club provides the cups, drinks and charcoal. You need to bring your own meat and a potluck dish. This is a great time to become acquainted with our new members and visit with one another.

This summer the heat is really making it tough for hunting. By going out early or late in the day you can beat the heat. This is also a good time to check out those high mountain lumber and mining camps. They are nice and cool and are inaccessible for much of the rest of the year due to snow.

See you at the picnic,

Bill Brown
